and

FACULTY OF SOCIAL SCIENCE, RUHR-UNIVERSITÄT BOCHUM

The purpose of this letter is to promote co-operation in the fields of teaching and research between EL COLEGIO DE MÉXICO and the Faculty of Social Science at Ruhr-Universität Bochum.

Both institutions will make every reasonable effort to encourage direct contact between research institutes. Both Universities agree to enter into negotiations on the following general forms of co-operation:

- I. Joint research activities
- II. Exchange of academic materials and academic publications and information
- III. Exchange of faculty members for research, lectures and discussions
- IV. Exchange of graduate and undergraduate students for study and research
- V. Co-organisation and participation in lectures, seminars and conferences
- VI. Co-operation in administrative issues

The themes of joint activities, the conditions for utilising the results achieved and the arrangements for specific visits, exchanges and other forms of co-operation will be negotiated separately for each specific case by the concerned parties.

It is understood that all financial arrangements between the two Universities will be negotiated individually.

It is also understood that the implementation of any agreement will commence upon its signing by both parties, and that it will be valid for five years subject to revision or modification by mutual consent. The possibility and terms of renewal of any agreement will be discussed by the representatives of both Universities within six months prior to its termination.
