**Number of Exchange Students**

The number of exchange students shall be up to 1 per year or 2 for a semester from each university. The balance of exchange will be checked every 4 years, and the number of students adjusted accordingly.

**Selection of Exchange Students**

Each university will select its own students, and the host institution will make final decision on admission for the chosen students.

**Rights and Duties of Exchange Students**

Exchange students will be subject to the laws of the host country, as well as the regulations of the host institution.

Also, exchange students shall enjoy the same rights as the rest of regular students of the host institution.

**Expenses**

Both institutions shall exempt exchange students from any academic fee.

**Housing**

The host institution will assist the exchange student to find adequate campus or off-campus accommodation. The cost of accommodation shall be paid for by the student.
